Hello 7th – 12th grade Parents,

This message is just an update on a five items:

Your child should have his or her chromebook and charger at home. Starting on Monday, March 30th, it is likely that we will begin our Distance Learning delivery. Students will need to be able to access google chrome, which they all know how to do.

Secondly, band students that do NOT have their instruments at home can schedule a time with Mrs. Markworth to pick up their instruments at school between 7:30-3:30 pm this week. If transportation is an issue, please let her know and we will find a way to schedule delivery to your home.

Third, if books or materials are needed from your child's locker, please call the high school office at 320-752-4801. Again, delivery is an option for those that need help.

Fourth, any missing work is due Friday for the end of the quarter grades. It is important that is turned in by that deadline. Things can be scanned and emailed to teachers. It will be important to look at JMC for updates on your child's homework status yet today so they have time to get missing assignments in possession and turn in the completed product.

Lastly, there is NO homework for students (other than things that are late) from Monday, March 16 through Friday, March 27. More information will be coming next week in regards to the plan moving forward to educate our students. Thanks for your patience and support and stay healthy!
