Hello Parents and Students,

I hope this message finds everyone doing well. Know that we miss seeing the kids and that we feel like our Distance Learning Plan is coming together nicely to begin this coming Monday. We have a few housekeeping items that will help us to kick things off successfully.

- 1.) If your child is in need of their chromebook and/or charger OR any textbooks or school supplies, please call the office at 752-4801 and we will get that from their desk or locker so it can be delivered this coming Monday, March 30th.
- 2.) A reminder to log into JMC to see if your child has any missing scores, as they will need to be submitted by this Wednesday, March 25 by noon as that is the quarter 3 deadline. Please reach out to their teachers if you have any questions or concerns
- 3.) Lastly, please have your child check their school emails daily starting on Monday, March 30th. This will be one of the major ways teachers communicate with them.

Please know that the detailed "Distance Learning Plan" will be coming out on this Friday, March 27 along with a brief message from Supt. Schmidt and should help answer your questions about this process. And as always, you can reach us via email or phone with any questions. Thanks!
