Subject: Learning Model Update – Week of January 18-22, 2021

During the week of January 18-22:

- All K-12 students will attend school In-Person on Monday-Thursday.
- Due to Thursday, January 21 being the final day of the semester, Friday, January 22 will be a Faculty Workshop day.
- There is no school for students in grades K-12 on January 22.

These decisions were made based on current information. The Learning Model could be modified based on future active case data. You can help ensure that doesn't happen.

Everyone – In order for students to be able to stay in school for the foreseeable future, we need your best efforts moving forward. Those best efforts include:

- Wearing masks in public places;
- Maintaining social distance;
- Washing your hands frequently;
- Parents staying healthy;
- Limiting potential exposures;
- Protecting yourself and others
