

Dear Parents,

Food for our Learning Youth (FLY) is a local nonprofit organization comprised of community members who have noticed a need for supplemental nutrition to be sent home with students on an as needed basis. Through the generosity of area churches, residents in the district, and private donations, in conjunction with the Appleton~Milan Elementary School, FLY is offering an optional weekend food program. Bags of food containing two breakfasts, two lunches, two dinners, and two snacks will be sent home the last day of the school week for students who enroll. Any Appleton~Milan Elementary School student who enrolls will be eligible to receive a bag of food. Only one completed form is needed per family. All information is confidential.

Once enrolled, bags of food will be sent home each week with Appleton~Milan Elementary School students. If you no longer wish to participate, simply contact the school office.

Please fill out the consent form located below and return it to the school office by Sept. 5th.

Kind regards,

Maureen Heinecke
