

Child Enrollment Documentation Requirement Child and Adult Care Food Program – Child Care Centers

Child Care Centers that participate in the Child and Adult Care Food Program (CACFP) are required to annually collect enrollment information from parents and guardians. This requirement applies to all CACFP facilities except adult day care centers, emergency shelters, outside-school-hours care centers and at-risk centers.

Documentation of enrollment must include (per regulations 7 CFR § 226.15(e)(2) and § 226.17(b)(8)):

- Each enrolled child’s normal days and hours in care and the meal services in which each child normally participates.
- Signature of parent or guardian.
- Annual updating of the information.

To document enrollment information, CACFP child care centers may use either of the two attached sample enrollment forms or may revise their own child care enrollment form to include the required information. The attached “standard” enrollment form documents each child’s days, hours and meals in general. The attached “alternative” version allows for more detail by documenting each child’s hours and meals for each day of the week.

This document needs to be updated annually. If the normal days, hours, meal services and contact information stays the same the guardian can initial and date on the bottom of the form. If there are minor changes the guardian can make these changes and initial and date on the bottom of the form in the space provided and no additional form needs to be completed. If there are significant changes, please fill out a new form as needed or at least annually.

If you have any questions about the requirement for collection of enrollment information, please contact FNS at 651-582-8526, 800-366-8922 or email mde.fns@state.mn.us

Child Enrollment Form Child and Adult Care Food Program

Dear Parents,

Your child care center participates in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). This child care center receives federal cash assistance to serve healthy meals to your children. Good nutrition today means a stronger tomorrow! Meals served here must meet nutrition requirements established by USDA's CACFP. In order to participate, your center has agreed to follow USDA guidelines. In an effort to assess that these requirements are being met, USDA's CACFP requires centers to annually collect the enrollment information listed below. Please complete the form and return it to your child care center.
